

## Idaho

The options for eligibility for the 2006-07 school year for a student from Idaho are:

- ***A set of courses similar to the State Scholars Initiative.*** This program of study requires passing grades in the following:
  - Four years of English;
  - Three years of Math (including Algebra I and a higher level course such as Algebra II, Geometry, or Data Analysis and Statistics);
  - Three years of science (including at least two courses from biology, chemistry or physics);
  - Three years of social studies; and
  - One year of a foreign language.
- ***Advanced Placement (AP) or International Baccalaureate (IB) courses and test scores.*** This program requires a minimum of two Advanced Placement (AP) or International Baccalaureate (IB) courses in high school and a minimum passing score on the exams for those classes. Students must score 3 or higher on AP exams and 4 or higher on IB exams.
- ***Idaho College Admission Core.*** This program requires:
  - Four years of English;
  - Three years of math (Algebra I and a higher level course such as Algebra II, Analytic Geometry, Calculus, Statistics and Trigonometry);
  - Three years of science (including at least two laboratory science classes from anatomy, biology, chemistry, earth science, geology, physiology, physics, physical science or zoology);
  - Two and one-half years of social studies;
  - One year of humanities or foreign language (inter-disciplinary humanities including literature, history, philosophy, and fine art). History courses beyond those required for the minimum social studies requirements may also count towards this category; and
  - One and one-half years of college preparation (including speech or debate, studio/performing arts or state approved professional-technical education classes). Foreign Language courses beyond those applied to the humanities/foreign language category may also count towards this category.
